REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Regarding base Claim 3, the prior art of record fails to disclose or render obvious the combination of features as claimed and in particular a gas engine electric power generating system comprising a pilot fuel oil ignition type gas engine, a combustion controller for adjusting a fuel mixture comprising a recovered methane and a ventilated methane, and further a gas injection device that provides the fuel mixture for introduction into the cylinder, the fuel mixture having a methane concentration of 3-5% and an air excess ratio not less than 2

Regarding base Claim 6, the prior art of record fails to disclose or render obvious the combination of features as claimed and in particular a gas engine electric power generating system comprising a means for adjusting a fuel mixture based on said means for diagnosing a combustion condition using a signal from the cylinder pressure detector and further a means for introducing the fuel mixture having a methane concentration of 3-5% and an air excess ratio not less than 2.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
